

A World of Opportunities without Borders

An Introduction to

www.roelogistics.com

1.888.SHIP.ROE (744-7763)

Welcome to our world ...

We are pleased to have this opportunity to present ROE Logistics as one of your logistics solutions provider to serve you with a total logistics solution. We are confident that we can provide you with timely, proactive and efficient services that will provide a fresh outlook, sound business judgment and an innovative application of skills.

Our mission is to help our clients and our people excel. We achieve this through our commitment to deliver superior service – adding value to your organization – as we build and maintain a strong relationship.

We believe that we have a contribution to make as your logistics provider in helping you fulfill your objectives and meet the challenges that lie ahead. We would very much appreciate having the opportunity to make a difference.

Thank you for considering ROE Logistics as the vital link in your distribution chain.

... A World of opportunities without borders

Proud Members of:

Who is ROE Logistics?

ROE Logistics Inc (**part of TUI AG**) offers a total logistics package. Proudly in business for over 30 years, our offices across Canada and our partners around the globe provide services designed to ease the demands placed on today's business community. We offer innovative and fully integrated logistics supply-chain solutions for international freight forwarding, warehousing and distribution and as well as customs clearance and shipping of dangerous goods. ROE logistics is a licensed and fully insured NVOCC freight forwarder, has over 383,000 sq ft of warehousing space across Canada and is supported by professional and knowledgeable industry experts. Our commitment to provide professional and personalized service is the basis of our success and we extend that commitment to continue to exceed our client's service expectations.

Manfred Engst
President & CEO

Our team of experts is what sets us apart

Our dedicated logistics professionals will be with you for every aspect of your logistics need.

Our goal is to add value for clients, colleagues, and business partners through consistent pursuit of excellence through **Teamwork** and commitment to our shared values.

...It is great working with people who care, and put the extra effort to ensure that a customer is well taken care of. You have great people working for you, that's what counts and I am sure that you are well aware.

-Budmark Textiles

Keeping our technology state-of-the-art

While strategy and process deliver product to market, businesses increasingly rely on information technology to link demand and supply. Technology provides the operational bandwidth to engage supply chain partners across the globe. At ROE, our dedicated team of onshore and offshore specialists have developed tools /solutions to link and integrate all key partners; our strength is in our ability to manage data and process flow.

All of our tracking software is completely web based for your convenience. You can access this directly from our website!
